

Oil Container Drainer

JDI-CD21

NOTABLE FEATURES

- Holds up to 18 one-quart bottles
- Easily secures on drum with 2" bung adapter (drum not included)
- Hooks stabilize larger bottles by their handles for easy drainage
- Side support bars keep lid open at a 45° angle

Safely and easily drain oil bottles before recycling by placing bottles upside down on the Oil Container Drainer pegs. Repair facilities must properly drain or remove oil to the extent where there are no visible signs of free-flowing oil remaining in bottles. This Oil Container Drainer easily connects to a drum to provide a safe way to drain and dispose excess oil from containers.

Stabilizing Hooks

Side Support Bars

Heavy-Duty Steel

Lock

2" Bung Adapter
